

Michèle Wood

Art Therapist

Marie Curie Hospice, Hampstead
Roehampton University, London
CECo Scholar 2008

My scholarship

- What motivated me to apply
- What I did
- What I found
- What I have gained

What is happening?

My research question

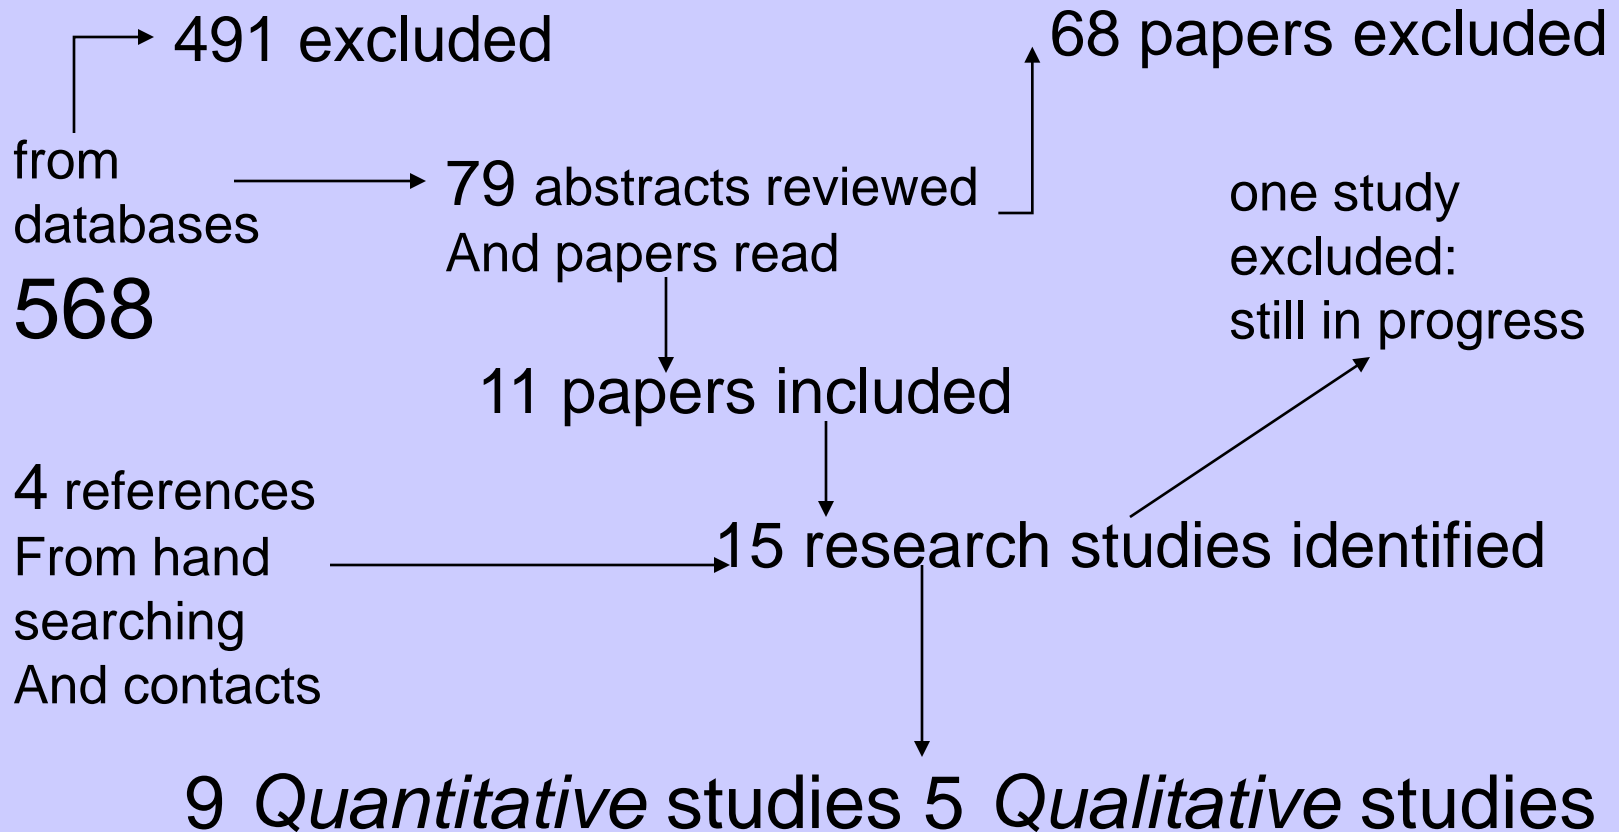

- How effective is art therapy in the management of symptoms in adults with cancer?

Appropriate methodology for 3 months?

A systematic review

Retrieved & Sorted

Systematic Review process

- Critical appraisal of included studies
- Narrative synthesis
- Conclusions: clinical implications; research recommendations; potential explanation 'recalibrating identity'.

What I have gained

- Excellent, wonderful, supportive mentoring
- New research skills
- Wide ranging practical support, from librarians to essential computer software
- Evidence that strengthens my clinical work, experience that enhances my academic work, research awareness that contributes to the professional endeavours of colleagues
- 'Recalibrating identity'
